RE: Request for Exemption from Commission's Closed Captioning Rules

In July of 2011 our first program was aired on FOX- WFXI / WYDO Eastern North Carolina and it was in December of 2011 we were made aware of the deadline for close captioning of all programming. Our program airs once a week and the purpose of this letter is to request exemption from close captioning requirements.

Our church, a 501-3C ministry is requesting exemption from close captioning requirements due to the fact that our annual gross revenues are considerably under two hundred thousand dollars and the closed captioning of our program would cause an un-due burden as explained under part 79.1 sections (F).

The funding of our ministry is supplied by our membership with no outside funding or grants and with an annual gross revenue less than two hundred thousand dollars and our net revenue even lower, it is due to these circumstances we are requesting an exemption from close captioning requirements.

Thank you for considering our request. For additional information and questions we may be reached at (252) 447-6596 or (252) 636-2307.

Sincerely,

Pastor Larry Taylor
